

A Special Lady - *LOIS HART*

A Special Offering for *SALEM ASSOCIATION*

About Lois Hart: She was born in Rosario Argentina, 1915. Her parents, Mom Tennessee and Dad Joseph, were from Brandenburg, KY. They left Argentina to help open the work in Chile around 1918. They were in Temuco and went to Antofagasta later. Lois spent her U.S. years studying nursing at John Hopkins. Lois returned under appointment in 1941 and served there until she retired September 1, 1983. She was a member at First Baptist Church of Brandenburg and knew Bro. and Betty Marcum and others.

These photos were taken at the Retired Missionary Gathering at Ridgecrest in September 2007, and she was about 92 at the time. You'll notice her Lapiz broach and earrings. She was still sharp in speech, doing her daily sit-ups and bearing her sweet smile. She was always happy. Lois made her final journey home to the Lord on April 26, 2011.

You can do something special too by donating to the Lois Hart Special Offering. All funds go to the Salem Association in support of our 20 churches, three trailer park missions and Camp Salem. Camp Salem is off Route 60 with cabins, restroom facilities, a fellowship hall with kitchen and outdoor recreation areas. The camp is available spring through fall at no cost for churches and a small fee for family reunions, etc. Air condition has recently been added to the cabins and the fellowship hall. Bring your church groups or family reunions. For more information call 270-828-2084.
