## CHRISTMAS SHOPPING SPREE

BRANDENBURG NURSING HOME

**DATE TO REMEMBER – NOVEMBER 30<sup>TH</sup>**

Your church can participate by dropping off Christmas presents, and gift bags, tissue paper, and wrapping items as we have in the past.

Items may be **dropped off anytime up till the 30<sup>th</sup> of November.**

The only changes are they must be dropped off a little earlier and we can NOT personally attend the shopping. The staff is going to help the shoppers due to the COVID-19 virus.

Please remember what a special experience this is the residents. Let's give them the gift of shopping their loved ones. Thank you so much for your contributions this year and in year past.

**God bless you and Merry Christmas!**
